

In My Name

Lead

I'll give you peace, when the storm is raging.

I'll be your light when the road ahead seems dim.

I have the power. Just put your trust in me.

Anything you need, have faith indeed.

Just ask, Just ask in my name. Oh-oh-oh. Just ask, Just ask in my name

I am the Lord, I can move all mountains

I'll be your strength, when you're weary, weak and torn

Believe in my promise. cast all your cares upon me
